Protection Class S1P SRC WRU

Sizes 39-47 (UK: 6-12)

Description

Starman Blue is a S1P SRC WRU protection class safety boot recognized for its lightness and modern look. The technical details make it unique, with a water repellent Hi-Tech microfiber, an ankle extra support, a breathable dri-lex lining and a quick fastening system, putting on your boots has never been so easy.

Foot health and comfort are ensured by the innovative energy return technology and excellent shock absorption system of the sole that balances the body weight throughout the whole foot, reducing knee and back pain and making it easy to take the next step forward.

Sporty safety boot available from size 33 to 47, Starman Blue is the ideal boot for light industries, electronic services and everyday activities.
